Archaeology studies the people in the past as indicators of the things that anthropologists study and more. The similarities go beyond the material though. Some archaeologists study modern technologically primitive peoples to understand the beliefs and practices of the past by studying their materials and technology (3). More details are below.

Archaeology: Examining Its Past and the Future

Before the Industrial Revolution, agriculture workers labored six days a week, from sun up to sun down, just to keep their crops growing. 1 Certain seasons were more demanding than others, specifically the plowing and harvest seasons. 2 Because of the intensity and necessity of agricultural labor, it was the largest employment source in Europe. 3 Men, women and children worked side by side to ...

Considering that the Temple Mount and Wailing Wall, which is believed to be the outer western wall to the ancient temple, is the holiest site in Judaism, such acceptance would not be easy. For the Jews to accept that the temple was not on the Temple Mount, but instead within the city of David, evidence would have to be found so conclusive that ...

Lost Temple Mount FOUND? The Evidence May SHOCK You!

The notion of water on Mars preceded the space age by hundreds of years. Early telescopic observers correctly assumed that the white polar caps and clouds were indications of water's presence. These observations, coupled with the fact that Mars has a 24-hour day, led astronomer William Herschel to declare in 1784 that Mars probably offered its inhabitants "a situation in

The agent looks baffled. "Wow... what do you call an act like that?" And the man replies with a smile, "The Aristocats! The agent shakes his head and says, "I think you're on the wrong page — this is about the Disney Animation, the filthy joke is The Aristocats." This marks the last film personally approved by Walt Disney himself, and is the 20th entry into the studio's extensive library.

The Aristocats (Western Animation) - TV Tropes

Later, Mansley discovers the camera and develops that same photo, discovering the Giant was looking over Hogarth's shoulder — finally giving Mansley photographic evidence that the Giant exists. The "duck and cover" educational video is played as satire early, but Mansley takes the advice seriously after he has the missile launched on the town ...
