Princeton Paperbacks

Blake is a 1947 book by Canadian literary critic Northrop Frye whose subject is the work of English poet and visual artist William Blake. The book has been hailed as one of the most important contributions to the study of William Blake and one of the first that embarked on the interpretation of many of Blake's most obscure works.

was Northrop Frye's first book and the product of over a decade of intense labour. Drawing readers into the imaginative world of William Blake, Frye succeeded in making Blake's voice and vision intelligible to the wider public. Distinguished by its range of reference, elegance of expression, comprehensiveness of coverage,
