Half the Church: Recapturing God's Global Vision for Women ...

Women comprise at least half the world, and usually more than half the church, but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life. This all but shuts women out from contributing to God's kingdom as they were designed to

Half The Church Recapturing Gods Global Vision For Women ...

The title and subtitle only tell half the story. For this is a book for the whole church and urges us to see God's global vision for men and women. Half the church badly needs to think again about the message of this book. So does the other half. Otherwise both halves are the tragic losers." —Christopher J. H. Wright, International Director
