## **History A Very Short Introduction**

History: A Very Short Introduction is an essay about how we study and understand history. Rather than concentrating on a specific period of history, it discusses the theory of history in a general way. It begins by inviting us to think about various questions provoked by our investigation of history, and explores the ways these questions have been answered in the past.

The format has been ripped-off by other publishers. The concept, a pocket-sized introduction to the problems of an academic field is easy enough to copy, but there is more to the success of the series than that. The writing is usually extremely good and History: Very Short Introduction by John Arnold is an excellent example.
