Interpreting Maimonides: Studies in Methodology ...
In this important study, Fox addresses in a fresh and penetrating way the standard of Maimonides' position: reason and revelation, negative and positive predicates of God, creation and the eternity of the world, the religious foundation of ethics and morality, and, finally, prayer and the religious life. Fox sees Maimonides as neither exclusively an Aristotelian nor purely a Jewish ...

The objective of pilot studies is to provide sufficient evidence that a larger definitive trial can be undertaken and, at times, to provide a preliminary assessment of benefit. We describe significance thresholds, confidence intervals and surrogate markers in the context of pilot studies and how Bayesian methods can be used in pilot trials.
