Only Garmin could make the eTrex better. The new eTrex 10 retains the core functionality, rugged construction, affordability and long battery life that made eTrex the most dependable GPS device available. We improved the user interface and added a worldwide basemap, paperless geocaching and added support for spine mounting accessories.

The Garmin eTrex 32x (and 22x) is a mixed bag. Most importantly, it's a solid, rugged and reliable handheld GPS that simply works well. There's not a ton of bells and whistles, and there are some downsides to consider, but if you're looking for a purpose-built GPS that can keep you on the trail or help you navigate, the eTrex 32x might be for you.
