Married To Bhutan How One

"At its core, Married to Bhutan is a romance; it's the true story of Linda Leaming's love affair with both her Bhutanese husband and with Bhutan itself. Leaming, from America, visited the Buddhist nation of Bhutan for the first time when she was thirty-nine. It would be 'a nice diversion,' the travel agent had told her.

As one of the few Americans to have lived in Bhutan, Linda Leaming offers a rare glimpse into the quirky mountain kingdom so many have only dreamed of visiting. For over ten years, she has lived and worked in Thimphu, a town with fewer than 100,000 people, no traffic lights, and less than-desirable plumbing.

Married to Bhutan is the best book I've read this year so far. And I stumbled upon it by accident. I was looking at Eric Raff's "No Sense of Direction" and this was one of the "customers also read" choices. Since Leaming's memoir is about following your intuition and about choices, I like the fact that it fell into my lap.

The overall marriage system of Bhutan also embraces this principle. However, the marriage system of Bhutan also has some administrative and legal requirements regarding the immigration and citizenship of Bhutan. But it's when a foreigner is marrying a Bhutanese girl and then they're planning to settle in Bhutan.
