Human rights encompass a wide variety of rights, including but not limited to the right to a fair trial, protection of physical integrity, protection against enslavement, the right to free speech, and the right to education. The protection of human rights is certainly one of the most important aspects of development.

Human Rights - Our World In Data

Everyone is supposed to have Universal Human Rights in order to develop into a normal person. Many people & countries do not understand what the Human Rights are and want them all their way. Like they think they can do, say, teach ANYthing they want. But with some Education we learn we cannot step on any other person and have to stay in our space.

Chapter 1 of the There Is No Such Thing as a "White Ally" Series: Racism is not mine, it's yours, and it's not called "help" when it's your mess we're cleaning. I never use the term "White Ally" when I talk with family and friends. That's because I detest it. A little twang of dissonance echoes every time it comes my way.
