Having grown up listening to rock/metal, I've always been familiar with the music and myth surrounding Motley Crue and having watched the film, I had to read the book to get the "true" story. Let's be honest; there is a lot of sex, drugs and personal vitriol in this book so it's not going to be everyone's cup of tea but, at the end of the day, this is the inside story of a hard hitting rock 'n' ...
