Official Sat Subject Test Study

6 or more hours with a best practice is associated with an average 39-point increase in SAT scores. In 2019 we analyzed the association between the use of Official SAT Practice and SAT scores from approximately 545,000 SAT test-takers from the class of 2019. In the study we identify three best practices -- leveling up skills, completing a full-length practice exam, and following personalized practice recommendations.
