Installing the RMX Manager Software - Polycom

Resetting a Polycom RMX 2000 to factory defaults isn't difficult, but it was quite a challenge figuring out the finer details of the process. For some reason, there isn't a whole lot of easily available information on the Internet. In our particular case, we needed to reset the LAN settings (IP Address, gateway, subnet mask), because we couldn't remember what they were.

Polycom RMX 2000 - Reset to Factory Default

The RMX 1000 system supports recording links similar to other Polycom MCUs. This recording link can work with the Polycom RSS 2000 to record the content of an RMX 1000 conference. Conferencing Capabilities and Options On Demand Conferencing The following options are available when setting up conferences:
