There are a lot of “typical” job-seeker books on the market these days. Purple Squirrel isn't one of them. While the majority of books on this topic address the same handful of issues in almost exactly the same way, Purple Squirrel comes at things a bit differently. Other books focus on you, the job seeker, and all the things you need to do to be a more effective job seeker.

Purple Land - AbeBooks

While it is unclear when exactly the term was coined, it was in use by 2000, and in 2010 CBS published material using the term, writing that “businesses are looking to do more with fewer workers, so they want [purple squirrels] who are able to take on a wide range of duties.” In 2012, Google recruiter Michael B. Junge published a popular job search and career book Purple Squirrel: Stand Out, Land Interviews, and Master the Modern Job Market, which helped popularize the term.
