Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available.

Why Is It Unsafe To

UCU members are taking action in two separate disputes: . over devastating cuts to USS pensions; and over falling pay and the employers' refusal to address pay gap, precarious employment and unsafe workloads.; TAKING ACTION IS ALWAYS THE LAST RESORT. UCU members want to be at work, not on strike. The last two years have been hard enough for students and staff and UCU members continue to endure ...

UCU - Why we're taking action

It is appalling that T-Mobile decided to force employees to get vaccinated. It is an anti-freedom and anti-american decision. If any T-Mobile employees are terminated for not taking poisonous vaccines that 1) do not work at preventing catching disease, 2) do not work at preventing spread of disease and 3) are potentially deadly unsafe, short and long term, then this company is guilty of ...

Why Mandate Vaccine that does not work? (does not prevent ...
