The Wii Menu is the graphical shell of the Wii game console, as part of the Wii system software. It has four pages, each with a 4:3 grid, and each displaying the current time and date. Available applications, known as "channels", are displayed and can be navigated using the pointer capability of the Wii Remote. The grid is customizable; users can move channels (except for the Disc Channel) among ...

Wii Channels are applications available for the Wii console through the Wii Menu. The Wii uses several pre-installed Channels for many of its basic functions, such as launching discs, buying Virtual Console games, and managing Miis. Additional applications and games can be downloaded through the the Wii Shop Channel, giving the Wii console much more flexibility than its predecessors.
