A Windows 7 Manual? So I've built a computer from the ground up. Bought and assembled all of the components myself yesterday, and was sold a copy of Windows 7 Pro x64 to load as my OS. What I didn't know was that this copy of Windows 7 was OEM, or as I understand it a builders kit copy that should have been pre-loaded by the company selling it? ...

Windows 7 allows you to change the display language for most of the interface. The process is fairly straightforward and the most comprehensive if you have Windows 7 Ultimate or Enterprise. If you are using Windows 7 Starter, Basic, or Home, you can install Language Interface Packs, which translate the most-used elements into your chosen language.
